

Summary of Ongoing Collaborations in the Department of Civil Engineering, UAP

Collaborating Institution	Type of Collaboration/Title/Terms	Status/Outcome
<p>Port and Airport Research Institute (PARI) of Japan</p> 	<p>Undergraduate students at UAP can travel to PARI to pursue research (sponsored by PARI) on concrete technology, including the repair and durability of concrete structures, corrosion of reinforcing bars.</p>	<p>Two batches of CE students completed research programs at PARI.</p>
<p>Japan International Cooperation Agency (JICA)</p> 	<p>‘Technical Development to Upgrade Structural Integrity of Buildings in Densely Populated Urban Areas and its Strategic Implementation towards Resilient Cities in Bangladesh’ (TSUIB).</p> <p>The project aims to assess the seismic performance of different type of building structures in Bangladesh and suggest suitable seismic retrofit if necessary.</p>	<p>One lecturer from Department of Civil Engineering is currently doing her M.Sc. at Osaka University.</p> <p>More faculty members and graduates of the department are expected to pursue postgraduate study and research at different universities in Japan under this project, which will end in 2020.</p>
<p>OSCE Academy at Bishkek, Kyrgyzstan</p> 	<p>Visiting Faculty from UAP</p>	<p>One of the faculties from department of Civil Engineering regularly teaches a master’s level course</p>

Summary of Ongoing Collaborations in the Department of Electrical and Electronics Engineering, UAP

Collaborating Institution	Collaborations Title/Type/Terms	Status/Outcome
<p>Indiana University- Purdue University Fort Wayne (IPFW)</p> 	<p>-Exchange of faculty and staff for consultations, lectures and/or research activities and to provide study/research space and library privileges and to allow exchange faculty and staff to audit courses without payment of fees.</p> <p>-appointing faculty, when appropriate, in between institutions as visiting faculty on a temporary basis. In such cases, the host Institution will pay the salary of the visitor.</p> <p>- Encouraging faculty to develop joint research projects and invite colleagues to participate in conferences, seminars and round tables.</p> <p>-Encouraging the development of short-term student exchanges for language and cultural training and other areas of mutually agreeable academic interest.</p>	<p>The agreement started on: 15th March, 2013 Will terminate on: 15th March, 2018.</p> <p>So far, no activities or exchange occurred in Department of EEE under this agreement</p>
<p>Purdue University, Calumet, USA</p> 	<p>-Exchange of teachers and students, joint collaboration in arranging workshops, symposia, conferences and researches</p> <p>Transfer program: After completing three years at UAP with required results, students can move to Purdue University and complete one year of study to obtain a Bachelor's degree. Students can continue for another one year to obtain a Master's degree.</p>	<p>The: agreement started on 12th February, 2012 Will terminate on: Not known</p> <p>One student of Department of EEE got admission in one of their Ph.D programs in 2012, but she later discontinued it without prior permission of Department or UAP Authority.</p>

Summary of Ongoing Collaborations in the Department of Computer Science and Engineering, UAP

Collaborating Institution/ Company	Type Collaboration/Title/Terms	Status/Outcome
KJS Company Ltd., Japan	The demonstration project for the ITEE preparation And the survey and research on employment in it companies in japan	46 students are selected for training for the department of CSE, UAP
Bangladesh Computer Council, Govt, of Bangladesh (BCC), BCC Bhaban, Sher-e-Bangla Nagar, Agargaon, Dhaka, acting through Md. Rezaul Karim ndc, Project Director, LICT	“Top–Up IT and Foundation Skills training” with association with Bangladesh Computer Council (BCC) and LICT	LICT Training is ongoing
Ethics Advanced Technology Limited (EATL)	Student internship, Job placement and Apps Contest	Apps Contest at UAP
