Marks obtained in the Admission Test (out of 100) will be added to the SSC and HSC (or equivalent) grades converted out of 100. Candidates will be ranked based on their total Marks out of 200 (50 in SSC, 50 in HSC or equivalent and 100 in Admission Test).
For example, total mark of a candidate with GPA 4.9 in SSC, 4.3 in HSC and 62 in the Admission Test will be (4.9/5.0 + 4.3/5.0)×50 + 62 = 92 + 62 = 154 out of 200.

Five seats will be reserved for the top 5 performers in the Admission Test, irrespective of previous GPA.

Admission test will be a 1 hour MCQ system (100 marks, 40% of which will be on Chemistry, 40% on Biology and 20% on English).

Students securing satisfactory marks in the test have to appear and pass viva voce test (date will be announced with result of the test) to be eligible for admission.
