Career Objectives

A motivated, adaptable and responsible graduate seeking a position in which I will utilize the professional and technical skills. I view myself as an early career lecturer with competence in teaching courses like Calculus, Linear Algebra, Linear Programming, Fluid Dynamics, Ordinary and Partial Differential Equations, Numerical Method.

In research front I have developed some fascination in an applied area of Fluid Dynamics. I have completed a MS thesis in this topic and would like to develop advanced pedagogical as well as research knowledge for a meaningful academic career.

Academic Qualifications

Degree	Board/University	Institution	G.P.A	Year
M.S.C (Thesis Group)	Dhaka University	Department of Applied Mathematics, University Of Dhaka	3.97/4.00	2016 (Held in 2017)
B.S.C	Dhaka University	Department of Mathematics, University Of Dhaka	3.76/4.00	2015 (Held in 2016)
H.S.C	Dhaka Board	Viqarunnisa Noon College	5.00/5.00	2011
S.S.C	Dhaka Board	Viqarunnisa Noon School	5.00/5.00	2009

Technical Skills

- Superior programing skills like FORTRAN, MATLAB, Mathematica, Java Script etc.
- HTML, CSS, My SQL etc.

Computer Skills

- Microsoft Word
- Microsoft Power Point Presentation

Awards and Achievements:

- Achieved Board Scholarship for H.S.C Examination.
- Achieved Board Scholarship for S.S.C Examination.
- Awarded National Science and Technology (NST) Fellowship from the Ministry of Science and Technology for the Master's thesis.

Experience:

- Work as a Lecturer of Department of Mathematics at American University of Bangladesh (AIUB) from 13 May, 2018 to 24 September, 2018.

Personal Prerequisite

- Excellent Leadership quality
- Good Communication skill

Training Attended

- Web-development training by LICT
- Soft skills training by LICT

Personal Information

- Date of Birth: 09.01.1994
- Father's Name: MD. Monirul Islam
- Mother's Name: Tanzina Ahmed
- Nationality: Bangladeshi
- Religion: Islam

Language Proficiency

- Fluent in both Bengali and English
